Brut Vintage 2009

From top vineyards in Romery, Fleury La Rivière, and Écueil, the Brut Vintage reflects the character of the vintage. 2009 was a classic growing season that resulted in superb wine. The 2009 cuvée, a blend of 60% Pinot Noir and 40% Chardonnay, is mature and complex wine, with nutty, toasty flavors and great finesse. The addition of the Pinot Noir vinified in oak barrels brings a richness and complexity to its palate and structure.

Champagne Tribaut Schloesser was founded in 1929 in the heart of the Champagne region, very near Epernay, in the village of Romery. For four generations, the Tribaut Family has produced impressively delicate and refined Champagnes. The estate's vineyards are situated in the best locations between the Montagne de Reims and the Marne Valley.
